SAFAE'S STORY

After finding myself in an abusive relationship, I felt hopeless and trapped. I knew I had to create a better future, so I took my son and sought help. Thanks to United Way's partner agencies, I found a safe place to live and hope for the future. Today, I'm rebuilding my life with stability and support—all because of people like you who believe in the power of community.

Scan to learn how our community's **support** changed Safae's life.
